Dear Families,

What a wonderful start to the school year it has been. Thank you so much for the donations of class supplies. Every child has benefited from your donations and I am very grateful. We have been hard at work since school began. In the last few weeks, we have been taking part in alphabet boot camp (1 letter a day), learning to write, counting, reading basic sight words, learning how to be a respectful and responsible friend, as well as so much more. The kids are adapting very well and I hope that they are coming home excited to tell you everything that they have learned. I am beginning to send homework every few days. This will be very simple and should not take long. Please make sure your child is doing the work (I can tell when it isn't their handwriting 😊) but you can be a helping hand if needed. As always, let me know if there is anything I can do to help you. This is a wonderful group and I know it is going to be a great year!

Best,
Miss Rogers
